Effective July 1, 2013, the Company adopted a Deferred Compensation Plan (the “Plan”), which provides retirement benefits for Independent Directors of the Company and TFI. Each Independent Director is eligible to participate in the Plan and may elect to defer all or a portion of his or her compensation not yet earned. Under the Plan, dollar amounts deferred earn a return for an Independent Director as though equivalent amounts had been invested in one or more of the funds advised by the Advisor offered as investment options under the Plan and selected by the Independent Director. Unless otherwise stipulated, distributions to an Independent Director under the Plan are in the form of a lump sum equal to the value in the Director’s account on the date of payment. The Plan is not funded and the Company’s obligation to make payments of amounts credited to an Independent Director’s account is a general obligation of the Company. An Independent Director’s rights to deferred compensation under the Plan are limited to those of a recipient of an unfunded, unsecured promise to pay amounts in the future.

The Board of Directors normally meets at least quarterly at regularly scheduled meetings. During the fiscal year ended December 31, 2017, the Board met six times. Each incumbent Nominee attended at least 75% of the meetings of the Board held during the last fiscal year, including the meetings of the Board’s standing Committees of which such Director was a member.

Leadership Structure

The Board is responsible for the overall management of the Company, including general supervision of the duties performed by the Advisor and other service providers in accordance with the provisions of the 1940 Act, other applicable laws and the Company’s Articles of Incorporation and By-Laws. The Board meets in regularly scheduled meetings throughout the year. It is currently composed of eight Directors, including six Independent Directors. As discussed below, the Board has established four committees to assist the Board in performing its oversight responsibilities.

The Board has appointed an Independent Director to serve as its Chairman. The Chairman’s primary role is to set the agenda of the Board and determine what information is provided to the Board with respect to matters to be acted upon by the Board. The Chairman presides at all meetings of the Board and leads the Board through its various tasks. The Chairman also acts as a liaison with management in carrying out the Board’s functions. The Chairman also performs such other functions as may be requested by the Board from time to time. The designation of an Independent Director as Chairman does not impose any duties, obligations or liabilities that are greater than the duties, obligations or liabilities imposed on such person as a member of the Board of Directors generally.

The Company has determined that the Board’s leadership structure is appropriate given the characteristics and circumstances of the Company, including such matters as the number of funds in the Fund Complex, the net assets of the Company and the committee structure of the Company.

Risk Oversight

Through its direct oversight role, and indirectly through its Committees, the Board performs a risk oversight function for the Company consisting, among other things, of the following activities:

General Oversight. The Board regularly meets with, or receives reports from, the officers of the Company and representatives of key service providers to the Company, including the Advisor, administrator, transfer agent, custodian and independent registered public accounting firm to review and discuss the operational activities of the Company and to provide direction with respect thereto.

Compliance Oversight. The Board reviews and approves the procedures of the Company established to ensure compliance with applicable federal securities laws. The Board keeps informed about how the Company's operations conform to its compliance procedures through regular meetings with, and reports received from, the Company's Chief Compliance Officer and other officers.

Investment Oversight. The Board monitors the Company's investment performance during the year through regular performance reports from management with references to appropriate performance measurement indices. The Board also receives focused performance presentations on a regular basis, including special written reports and oral presentations by portfolio managers. In addition, the Board monitors the Company's investment practices, reviews its investment strategies with management and receives focused presentations.

Valuation Oversight. The Board has approved the valuation methodologies used in establishing the daily values of the Company's assets and monitors the accuracy with which the valuations are carried out. The Board receives regular reports on the use of fair value prices and monitors the effectiveness of the Company's valuation procedures. On March 13, 2017, the Board established a Valuation Committee to assist the Board in monitoring the implementation of the Company's valuation procedures, as described in further detail below.

Financial Reporting. Through its Audit Committee, the Board meets regularly with the Company's independent registered public accounting firm to discuss financial reporting matters, the adequacy of the Company's internal controls over financial reporting, and risks to accounting and financial reporting matters.

Board Committees

The Board has a standing Audit Committee, Executive Committee, Nominating and Governance Committee and Valuation Committee.

The Audit Committee has adopted a written charter (the “**Audit Committee Charter**”), which was amended in December 2014. A copy of the Audit Committee Charter is posted on the Company’s website (www.tcw.com). The purposes of the Audit Committee are set forth in the Audit Committee Charter. The Audit Committee makes recommendations to the Board of Directors concerning the selection of the Company’s independent auditors and reviews with the auditors the results of the Company’s annual audit, including the scope of auditing procedures, the adequacy of internal controls and compliance by the Company with the accounting, recording and financial reporting requirements of the 1940 Act. The Audit Committee also reviews compliance with the Advisor’s and Company’s Code of Ethics by the executive officers, directors and investment personnel of the Advisor. The Audit Committee’s current members are Ms. Rogers and Messrs. Bell, Haden, McMillan, Parker and Tarica. Each Audit Committee member is an Independent Director. During the fiscal year ended December 31, 2017, the Audit Committee held four meetings.

The Executive Committee has the same powers as the Board of Directors except the power to declare dividends or other stock distributions, elect directors, authorize the issuance of stock except as permitted by statute, recommend to the shareholders any action requiring their approval, amend the By-Laws or approve any merger or share exchange not requiring shareholder approval. The Executive Committee’s current members are Messrs. DeVito, Bell and Haden. Messrs. Bell and Haden are Independent Directors and Mr. DeVito is an Interested Director. During the fiscal year ended December 31, 2017, the Executive Committee held no meetings.

The Nominating and Governance Committee has adopted a written charter (the “**Nominating and Governance Committee Charter**”), which was amended in June 2017. A copy of the Nominating and Governance Committee Charter is posted on the Company’s website (www.tcw.com). The Nominating and Governance Committee makes recommendations to the Board of Directors regarding nominations for membership on the Board of Directors. It evaluates candidates’ qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Advisor and other principal service providers. The Nominating and Governance Committee does not have any formal policy regarding diversity in identifying nominees for a directorship, but considers it among the various factors relevant to any particular nominee. The Nominating and Governance Committee periodically reviews director compensation and recommends any appropriate changes to the Board. The Nominating and Governance Committee also reviews and may make recommendations to the Board of Directors relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in overseeing the management of the Company and also considers general matters of Company governance and operations of the Board of Directors. The current members of the Company’s Nominating and Governance Committee are Ms. Rogers and Messrs. Bell, Haden, McMillan, Parker and Tarica. Each Nominating and Governance Committee member is an Independent Director. During the fiscal year ended December 31, 2017, the Nominating and Governance Committee held one meeting.

The Nominating and Governance Committee oversees the annual self-assessment of the effectiveness of the Board and the individual Directors. In conducting its annual assessment, the Board has determined that the Directors have the appropriate attributes and experience to continue to serve effectively as directors of the Company. The following is a brief discussion of the particular experience, qualifications, attributes or skills that led the Board to conclude that each person identified below should serve as a Director of the Company.

Generally, no one factor was decisive in the original selection of the Directors to the Board, or in the nomination of the Nominees. Qualifications considered by the Board to be important to the selection and retention of Directors include the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's educational background and accomplishments; (iii) the individual's experience and expertise performing senior policy-making functions in business, government, education, accounting, law and/or administration; (iv) how the individual's expertise and experience would contribute to the mix of relevant skills and experience on the Board; (v) the individual's ability to work effectively with the other members of the Board; and (vi) the individual's ability and willingness to make the time commitment necessary to serve as an effective director. In addition, the individual's ability to review and critically evaluate information, to evaluate fund service providers, to exercise good business judgment on behalf of fund shareholders, prior service on the Board, and familiarity with the Company are considered important assets.

- (d) The nominee may not be an executive officer or director (or person performing similar functions) of the nominating shareholder or any member of a nominating shareholder group, or of an affiliate of a nominating shareholder or any such member of a nominating shareholder group;

- (e) The nominee may not control (as “control” is defined in the 1940 Act) the nominating shareholder or any member of a nominating shareholder group (or in the case of a holder or member that is a fund, an interested person of such holder or member as defined by Section 2(a)(19) of the 1940 Act); and
- (f) A shareholder or nominating shareholder group may not submit for consideration a nominee who has previously been considered by the Nominating and Governance Committee.

In addition, the nominating shareholder or shareholder group must meet the following requirements in order for the Nominating and Governance Committee to consider a proposed nominee:

- (a) Any shareholder or shareholder group submitting a proposed nominee must beneficially own, either individually or in the aggregate, more than 5% of the Company’s securities that are eligible to vote at the time of submission of the nominee and at the time of the annual meeting at which the nominee may be elected. Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting. The nominating shareholder or shareholder group must also bear the economic risk of the investment and the securities used for purposes of calculating the ownership cannot be held “short”; and
- (b) The nominating shareholder or shareholder group must not qualify as an adverse holder (as defined in the Nominating and Governance Committee Charter).

A nominating shareholder or shareholder group may not submit more than one Independent Director Nominee each calendar year. All shareholder-recommended nominee submissions for the Annual Meeting must have been received by the Company by April 5, 2018, the deadline for submission of any shareholder proposals to be included in the Company’s proxy statement for its Annual Meeting.

Shareholders recommending potential director candidates must substantiate compliance with these requirements at the time of submitting their proposed director candidates to the attention of the Company’s Secretary. Notice to the Company’s Secretary should provide: (i) the shareholder’s contact information; (ii) the director candidate’s contact information and the number of Company shares owned by the proposed candidate; (iii) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A of the Securities Exchange Act of 1934, as amended (the “1934 Act”); and (iv) a notarized letter executed by the director candidate, stating his or her intention to serve as a nominee and be named in the Company’s proxy statement, if nominated by the Board of Directors, and to serve as director if so elected.

The Nominating and Governance Committee may identify prospective candidates from any reasonable source and is authorized to engage third-party services for the identification and evaluation of potential nominees. The Company's Nominating and Governance Committee Charter provides minimum qualifications for Company directors which include expertise, experience or relationships that are relevant to the Company's business, and educational qualifications. The Nominating and Governance Committee may recommend that the Board modify these minimum qualifications from time to time. The Nominating and Governance Committee meets at least annually to identify and evaluate nominees for director and make its recommendations to the Board. Each of the Director nominees included in this Proxy Statement currently serves on the Board of Directors of the Company.

No nominee recommendations have been received from shareholders for this Annual Meeting. The Nominating and Governance Committee may modify its policies and procedures for director nominees and recommendations from time to time in response to changes in the Company's needs and circumstances, and as applicable legal or listing standards change.

The Valuation Committee was established on March 13, 2017 and has adopted a written charter (the "**Valuation Committee Charter**"). A copy of the Valuation Committee Charter is posted on the Company's website (www.tcw.com). The Valuation Committee assists the Board of Directors in monitoring the implementation of the Company's valuation procedures as adopted and amended from time to time. The Valuation Committee has the authority to resolve valuation issues that may arise from time to time, which authority includes working with the Advisor's pricing committee and the pricing officer of the Advisor, as necessary, to resolve any such issues. The Valuation Committee's current members are Messrs. Haden, McMillan, Tarica and DeVito. During the fiscal year ended December 31, 2017, the Valuation Committee held no meetings.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Company, require the Company's officers and Directors, Advisor, certain affiliates of the Advisor, and persons who beneficially own more than ten percent of a registered class of the Company's securities ("**Reporting Persons**") to file reports of ownership of the Company's securities and changes in such ownership with the Securities and Exchange Commission (the "**SEC**") and the NYSE. Reporting Persons are also required by such regulations to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of Forms 3, 4 and 5 and amendments thereto received by the Company and written representations of certain Reporting Persons, the Company believes that during the fiscal year 2017 all required Section 16(a) ownership reports were timely filed.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ALL NOMINEES.

PROPOSAL 2. RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Independent Directors have selected Deloitte, 555 West 5th Street, Los Angeles, California 90013 as the registered public accounting firm of the Company for the fiscal year ending December 31, 2018. Deloitte is responsible for auditing the Company’s annual financial statements. While the Independent Directors are responsible for the appointment, compensation, retention, termination and oversight of the independent auditor, the Company is requesting, as a matter of good corporate governance, that the shareholders ratify the appointment of Deloitte as the independent registered public accounting firm. If the shareholders fail to ratify the selection, the Independent Directors will reconsider whether to retain Deloitte and may retain that firm or another without re-submitting the matter to our shareholders. Even if the appointment is ratified, the Independent Directors may, in their discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

Representatives of Deloitte will be available in person or by telephone at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to questions.

Deloitte, in accordance with Independence Standards Board Standard No. 1 (“**ISB No. 1**”), has confirmed to the Audit Committee that Deloitte is an independent auditor with respect to the Company. Certain information concerning the fees and services provided by Deloitte to the Company and to the Advisor and its affiliates for the most recent fiscal year of the Company is provided below. For purposes of the following information, the Advisor and any entity controlling, controlled by or under common control with the Advisor that provides ongoing services to the Company, are referred to as “Service Affiliates.”

- (1) **Audit Fees.** The aggregate fees billed for each of the last two fiscal years to the Company (the “**Reporting Periods**”) for professional services rendered by Deloitte for the audit and review of the Company’s annual financial statements, or services that are normally provided by Deloitte in connection with the statutory and regulatory filings or engagements for the Reporting Periods, were as follows:

<u>Fiscal Year Ended</u>	<u>Audit Fees</u>
12/31/17	\$75,000
12/31/16	\$75,000

- (2) **Audit-Related Fees.** The aggregate fees billed in the Reporting Periods for assurance and related services by Deloitte to the Company that are reasonably related to the performance of the audit or review of the Company’s financial statements and are not reported under paragraph (1) above were as follows:

<u>Fiscal Year Ended</u>	<u>Audit-Related Fees</u>
12/31/17	\$0
12/31/16	\$0

- (3) **Tax Fees.** The aggregate fees billed to the Company in the Reporting Periods for professional services rendered by Deloitte for tax compliance, tax advice and tax planning (“**Tax Services**”) were as follows:

<u>Fiscal Year Ended</u>	<u>Tax Fees*</u>
12/31/17	\$5,400
12/31/16	\$5,400

Tax Services consisted of services related to the Company’s compliance with the requirements for regulated investment companies and review and assistance with the Company’s tax returns.

* The Tax Fees were pre-approved by the Audit Committee pursuant to the terms of the Audit Committee Charter.

- (4) **All Other Fees.** The aggregate fees billed to the Company in the Reporting Periods for products and services provided by Deloitte, other than the services reported in paragraphs (1) through (3) above, were as follows:

<u>Fiscal Year Ended</u>	<u>All Other Fees</u>
12/31/17	\$0
12/31/16	\$0

The aggregate non-audit fees billed by Deloitte for services rendered to the Service Affiliates for the last two fiscal years of the Company were \$0 in 2017 and \$0 in 2016, respectively.

The Company’s Audit Committee has considered whether the provision of non-audit services that were rendered to the Company’s investment advisor and any entity controlling, controlled by, or under common control with the investment advisor that provides ongoing services to the Company that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant’s independence.

Pursuant to the Company’s Audit Committee Charter, the Audit Committee has adopted pre-approval policies and procedures to govern the pre-approval of (i) all audit services and permissible non-audit services to be provided to the Company by its independent accountant and (ii) all permissible non-audit services to be provided by such independent accountant to any Service Affiliates if the engagement directly relates to the Company’s operations and financial reporting.

The Audit Committee pre-approves all audit and non-audit services provided by Deloitte, or any other independent auditor engaged by the Company, and any non-audit or audit-related services provided by them to the Company’s service affiliates which have an impact on the Company. The Audit Committee recommends the engagement of the auditor for each fiscal year and a majority of the Company’s Independent Directors approves the engagement. The Audit Committee may pre-approve the

provisions of types or categories of non-audit services for the Company and permissible non-audit services for the Company's service affiliates on an annual basis at the time of the auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Company's independent auditor, the Audit Committee receives a list of expected services with a description and an estimated budget of fees. In its pre-approval, the Audit Committee must determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the auditor and set any limit on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committee consistent with the same standards for determination and information.

Audit Committee Report

The Audit Committee of the Board of Directors normally meets at least once during each full fiscal year with the Company's Chief Financial Officer and representatives of the independent auditors in a separate executive session to discuss and review various matters as contemplated by the Company's Audit Committee Charter. In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2017 with management and the independent auditors of the Company. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 1301, "Communication with Audit Committees," as currently in effect. The Audit Committee also has considered whether the provision by the Company's independent auditors of non-audit services to the Company, and of professional services to the Advisor and affiliates of the Advisor that provide services to the Company, is compatible with maintaining the independent auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by ISB No. 1 and has discussed with the independent auditors the independent auditors' independence.

The members of the Company's Audit Committee are not professionally engaged in the practice of auditing or accounting. The Board of Directors has determined that Messrs. Samuel P. Bell and Charles A. Parker and Ms. Victoria B. Rogers each qualifies as an "audit committee financial expert," as defined under Item 407(d) of the SEC's Regulation S-K. The Audit Committee is in compliance with applicable rules of the NYSE listing requirements for closed-end fund audit committees, including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the Board. The Audit Committee is required to conduct its operations in accordance with applicable requirements of the Sarbanes-Oxley Act of 2002 and the Public Company Accounting Oversight Board, and the members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties. Members of the Company's Audit Committee rely without independent verification on the information provided to them

and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's annual report to shareholders for the fiscal year ended December 31, 2017. The members of the Audit Committee, Messrs. Bell, Haden, McMillan, Parker and Tarica and Ms. Rogers, are "independent" within the meaning of the NYSE corporate governance standards for audit committees.

Shareholder Approval

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy, provided a quorum is present, is required to ratify the appointment of Deloitte to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
RATIFICATION OF DELOITTE AS THE INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM OF THE COMPANY
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018.**

OTHER MATTERS

The proxy holders have no present intention of bringing before the Annual Meeting for action any matters other than those specifically referred to above, nor has the management of the Company any such intention. Neither the proxy holders nor the management of the Company is aware of any matters which may be presented by others. If any other business properly comes before the Annual Meeting, the proxy holders intend to vote thereon in accordance with their best judgment.

VOTING AND OTHER INFORMATION

Voting Requirements

For purposes of this Annual Meeting, a quorum is present to transact business if the holders of a majority of the outstanding shares of the Company entitled to vote at the Annual Meeting are present in person or by proxy. For purposes of determining the presence of a quorum at the Annual Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present. Assuming a quorum is present, (i) a plurality of the votes cast at the Annual Meeting is required to elect each of the Directors; and (ii) an affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the appointment of Deloitte to serve as the Company's independent registered public accounting firm. Abstentions and broker non-votes will have no effect on Proposal 1 or Proposal 2.

The Company's Common Stock is the only class of outstanding voting securities of the Company. At July 31, 2018, 47,686,957 shares of Common Stock were outstanding and entitled to vote. Each shareholder may cast one vote for each full share held, and a partial vote for each partial share. The Company's Common Stock does not have cumulative voting rights.

Adjournment

If a quorum is not present in person or by proxy at the time the Annual Meeting is called to order, the Chairman of the Annual Meeting or the shareholders may adjourn the Annual Meeting. The vote required to adjourn the Annual Meeting is the affirmative vote of a majority of the shares present at the Annual Meeting in person or by proxy. In such a case, the proxy holders will vote all proxies in favor of the adjournment. If a quorum is present but there are not sufficient votes to approve a proposal, the Chairman of the Annual Meeting may, with respect to that proposal, adjourn the Annual Meeting or the proxy holders may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. In such a case, the proxy holders will vote those proxies which they are entitled to vote in favor of the proposal "FOR" the adjournment, and will vote those proxies required to be voted against the proposal "AGAINST" the adjournment as to that proposal, and abstentions will not be voted either for or against the adjournment. Broker non-votes will be excluded from any vote to adjourn the Annual Meeting and, accordingly, will not affect the outcome of the vote.

Cost and Method of Proxy Solicitation

Proxy solicitation will be principally by mail but may also be by telephone or personal interview conducted by officers and regular employees of the Advisor. In

addition, proxy solicitation may be conducted by AST Fund Solutions, a proxy solicitation firm, which will be paid approximately \$4,500 and will be reimbursed for its related expenses. The cost of solicitation of proxies will be borne by the Company, including reimbursement of banks, brokerage firms, nominees, fiduciaries and other custodians for reasonable expenses incurred by them in sending the proxy materials to shareholders of the Company.

Shareholders may sign and mail the proxy card(s) received with the Proxy Statement or may give voting instructions via touchtone telephone by following the instructions enclosed with the proxy card.

Household Mailings

The Company reduces the number of duplicate annual and semi-annual reports and proxy statements a household receives by sending only one copy of those documents to those addresses shared by two or more accounts (unless the Company receives contrary instructions from an account holder). Write to the Company at 865 South Figueroa Street, Los Angeles, California 90017 or call 1-877-829-4768 to request individual copies of reports and proxy statements, or to request a single copy of reports and proxy statements if receiving duplicate copies. The Company will begin sending a household single or multiple copies, as requested, as soon as practicable after receiving the request.

Corporate Governance Listing Standards

In accordance with Section 303A.12(a) of the NYSE Listed Company Manual, the Company's Annual CEO Certification certifying as to compliance with the NYSE's corporate governance listing standards was submitted to the NYSE on October 19, 2017 as part of its Annual Written Affirmation. In addition, on February 27, 2018, the Company filed the required CEO/CFO certifications pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 as an exhibit to its Form N-CSR for the year ended December 31, 2017.

Shareholder Proposals

The Company holds annual meetings of shareholders. A shareholder's proposal intended to be presented at the Company's 2019 annual meeting of shareholders must be received by April 4, 2019, in order to be included in the Company's proxy statement and form of proxy relating to the annual meeting. Timely submission of a proposal does not, however, necessarily mean that the proposal will be included. A shareholder who wishes to make a proposal at the 2019 annual meeting of shareholders without including the proposal in the Company's proxy statement must notify the Secretary of the Company in writing of such proposal between June 27, 2019 and July 27, 2019. The persons named as proxies for the 2019 annual meeting of shareholders will, with respect to the proxies in effect at such annual meeting, have discretionary authority to vote on any matter presented by a shareholder for action at that annual meeting unless

the Company receives notice of the matter by June 18, 2019. If the Company receives such timely notice, these persons will not have this authority except as provided in the applicable rules of the SEC.
