		<u>\$0.3145</u>	<u>\$0.2815</u>	<u>\$0.0330</u>

Qualified Dividend Income and Qualified Interest Income:

There is no Qualified Dividend Income ("QDI") to report for the year 2017.

For the Fund's non-resident (non-U.S.) shareholders, Qualified Interest Income ("QII") for the tax year 2017 is 89.44% of the amount reported as taxable ordinary income for 2017.

To Our Corporate Shareholders:

Under certain circumstances, corporate shareholders are entitled to a deduction for a portion of the dividends received from investment companies in computing the amount of income subject to federal tax. However, there is no dividends received deduction available from the Fund for the year 2017.

Dividends Derived from U.S. Government and U.S. Government Agency Obligations:

Your Form 1099-DIV includes dividends derived from U.S. government and U.S. government agency obligations. These dividends may be excluded from state income tax. Because the qualifications for exclusion vary by state, please consult your tax advisor for details.

To calculate the income you received from different types of U.S. government and U.S. government agency obligations, multiply the percentages listed below by the amount shown in Box 1 on your Form 1099-DIV.

<u>Security Type</u>	<u>% of Income</u>
U.S. Treasury Obligation	0.587%
Government National Mortgage Association	9.495%
Federal National Mortgage Association	2.652%
Federal Home Loan Mortgage Corporation	6.553%
Non-U.S. Government Obligation	<u>80.713%</u>
Total	<u>100.00%</u>
