

## TCW Emerging Markets Local Currency Income Fund

The following table sets forth the sources of the distributions paid from the Fund for the year 2014. All amounts are expressed per share.

<b>Source of Distribution</b>	<b>Cumulative Distribution</b>	
	<b>I Class</b>	<b>N Class</b>
Net Investment Income	\$0.0000	\$0.0000
Net Realized Capital Gain	\$0.0000	\$0.0000
Return of Capital	\$0.0325	\$0.0300
Total Paid	<u>\$0.0325</u>	<u>\$0.0300</u>

No conclusions should be drawn about the Fund's investment performance from the amount or source of the distributions.

The Fund estimates that it has distributed more than its income and net realized gains; therefore, a portion of your distribution may be a return of capital. A return of capital may occur, for example, when some or all the money that you invested in the Fund is paid back to you. A return of capital does not necessarily reflect the Fund's investment performance and should not be confused with "yield" or "income".

The amount and source of distributions reported in this notice are only estimates and not for tax reporting purposes. For tax reporting purposes, please refer to Form 1099.
